**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As with many Americans, I need strong broadband for managing both my home life and work. And, I was very fortunate to connect with a small company, Sonic, who provided much better technical services and customer service than AT&T. I am on the verge of switching from DSL to fiber in the next couple of weeks, and having Sonic's service has been fantastic.

Please allow for continued competition and the start of small, responsible business, which collectively serve the public interest.
